

# Index for CDEA Newsletter Articles

(updated February, 2024)

**NOTES:** While CDEA has been operating since 1996, published newsletters did not commence until May 2006 with Issue #1. There was a hiatus between May, 2016 and February, 2018. Issues #37 & # 41, for December, 2018 & 2019 were both reading lists, and so are not included in this list. Issue #56 (Dec, 2022) also contains a list of environmental articles for Christmas reading.

All readers are invited to contact the editor ( [editor@cdea.org.au](mailto:editor@cdea.org.au) ) with comments about this index: additions, corrections and other suggestions.
